

Under the auspices of the Ministry of Agriculture and Agrarian Reform; the Arab Agricultural Engineers Federation, the Islamic Development bank, and the NAPC jointly organized a training course on “Agricultural Policies Management” for Palestinian agricultural engineers of the Palestinian National Authority. The course is held at NAPC premises during the period 17-28 of this month.

H.E. Adel Safar, Minister of Agriculture and Agrarian Reform, and Dr Yahia Bakour, head of the Arab Agricultural Engineers Federation opened the training course.

The training presentations is including key related issues of the NAPC functions and activities such as Syrian Agricultural Database (SADB), Library Services, Economic Effectiveness of Commodity Chains, Supply and Demand Assessment, International Agreements, Syrian Agricultural Trade, and others. These subjects are intended to enrich and enhance the trainees’ expertise and assist them to carry out their work more effectively.
